

**MENTOR STUDY DAY**

**TUESDAY 24 SEPTEMBER 2019**

**STAFFORD POST GRADUATE MEDICAL CENTRE (PGMC)**

We are taking bookings for this **Mentoring Awareness Session**, which is Free of Charge with places available on a first come, first served basis.

Aimed at **Post Fellowship Trainees** from the West Midlands Schools of Anaesthesia, the programme will cover '**understanding the power of mentoring**', '**the practicalities of mentoring relationships**' and '**planning for development**'.

The day will be facilitated by **Alexis Hutson**, who has been coaching and mentoring doctors since 2009. She works with people all over the UK and is an EMCC (European Mentoring and Coaching Council) member and a qualified Coach Mentor working with the Faculty of Medical Leadership & Management.

Lunch and refreshments will be provided.
